Central Bank Interest Rate Decision Impacts Banking Stocks

Aug 12, 2024 | 09:45 AM

The Central Bank of Sri Lanka announced changes to its monetary policy, leading to increased volatility in banking stocks such as Commercial Bank and Hatton National Bank. Investors reacted cautiously as higher interest rates may affect lending and profitability.

Negative

Dialog Axiata Reports Quarterly Revenue Growth

Sep 03, 2024 | 02:10 PM

Dialog Axiata PLC released its quarterly earnings report showing revenue growth driven by increased mobile data usage and digital services. The announcement resulted in positive market sentiment and price appreciation.

Negative

Colombo Stock Market Shows Increased Volatility

Jul 28, 2024 | 11:30 AM

Market analysts observed increased price fluctuations across multiple sectors, including banking, energy, and manufacturing. Global inflation concerns and currency pressure contributed to investor uncertainty.
